

2024 Sponsorship Opportunities

The ACHENJ Board is pleased to invite you to participate in our newly developed 2024 Sponsorship Packages. Sponsors have long been an integral part of the success of ACHENJ. We want to ensure you have the opportunity to participate in our 2024 schedule of events.

ACHENJ invites companies providing services and products to the healthcare community to become sponsors. The various levels of sponsorship provide for the calendar year sponsorship, as well as specific sponsorship for individual meetings, each with varying benefits.

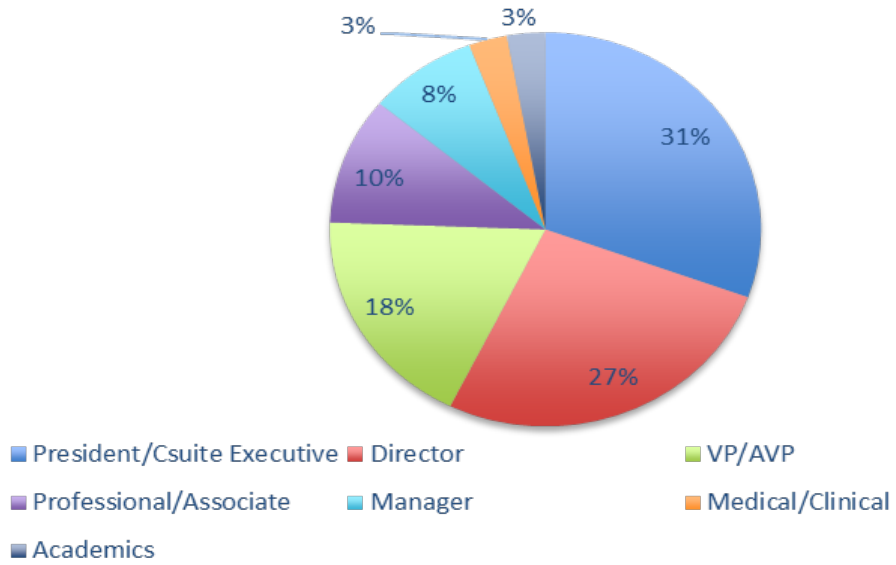

Sponsorship provides visibility, both through the ACHENJ website and email communications as well as in person events for a full calendar year.

Opportunities are available for educational sessions, networking events, as well as a wide variety of additional sponsorships to maximize your exposure.

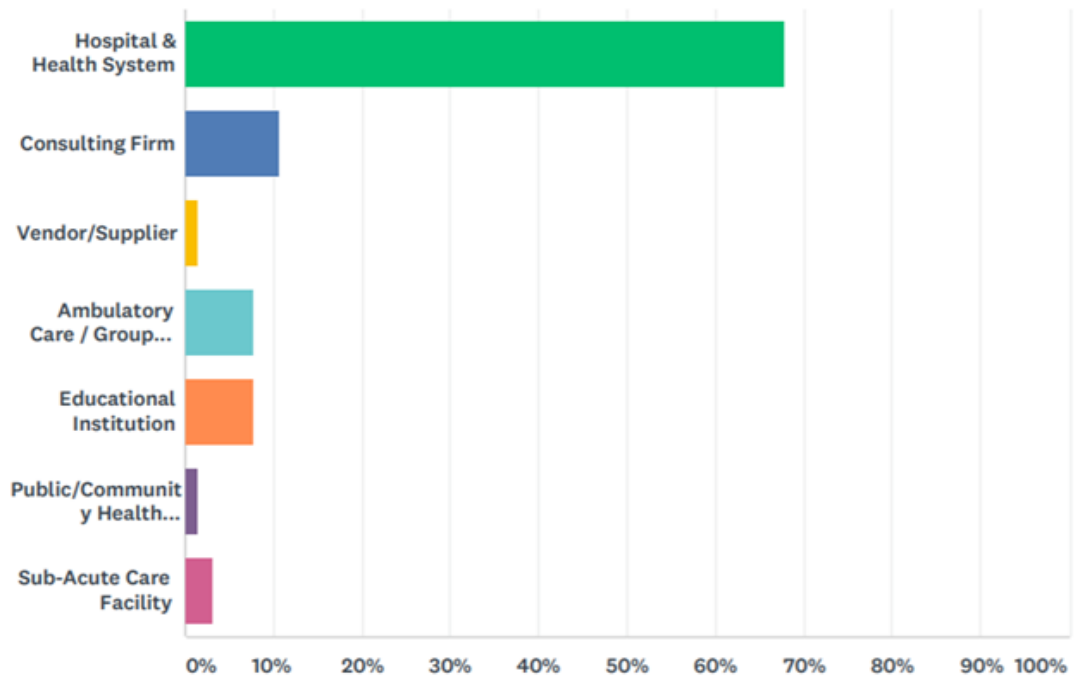

Sponsorship provides you an affordable marketing opportunity and exposure to a wider audience of healthcare executives.

- Currently, ACHENJ has approximately 950 members
- 10-15 events a year with registrations ranging from 40-100+ members.
